

DIRECTIONS TO CAMP NAVARRO

Camp Navarro is located at 901 Masonite Industrial Road in Navarro, CA. Take HWY 101 to Cloverdale and get on HWY 128 West, which is the Ft. Bragg, Mendocino, Boonville exit off of 101. Note that coming North on 101 you will come to the HWY 128 East exit quite bit before the HWY 128 West exit. About 300 yards after you get on 128 West, keep your eyes out for the hard right turn you need to take in order to stay on 128. Continue on HWY 128 West through Boonville and Philo. Beyond Philo you will reach the very small town of Navarro. Go 1.5 miles past the Navarro General Store and turn right on Masonite Road, which will be about 50 yards after crossing the cement bridge over the North Fork of the Navarro River and the Navarro Redwoods State Park sign. Don't be fooled by the small road you will see immediately after crossing the bridge. Instead, continue just a little farther until you see a Mendocino Redwood Company sign at the corner of Highway 128 and Masonite Industrial Road and turn there. After making the turn, travel up Masonite Road for 3/4 mile to Camp Navarro, which will be on your right. Most likely you will be greeted by a staff member on Masonite Road who will direct you the appropriate gate, but if not:

- Gate 1: Use this entrance if you are staying in a Cabin, RV/Trailer (or have a vehicle longer than 18 feet) or are a member of Camp Always Get What You Want
- Gate 2: All others. After stopping at check-in to get your wristband, you will proceed left into main campground. Associated parking will depend on where you choose to camp.
