CHICKWAGON: Barbee, Nancy, Natasha, Megan, Pam, Emily & Jeanie with Emcee Chickie Chuck

Four original members began our journey as ambassadors of Chick-Powered Music at the Strawberry Music Festival, sharing our campsite 'stage' with talented women, girls and a growing audience. The fun was infectious and everyone pitched in to create the party. Guys & gals served margaritas, applied tattoos, and handed out schwag with a lot of smiles and sparkle. We feel so grateful for our home at Camp Navarro, and for the magic our performers bring each year. Thank you, Redwood Ramble, for being a cherished part of our family!
